

FBFC Checking Alerts can help prevent overdrafts by letting you know when your checking account balance is getting low. It's easy to sign up, and completely *free*.

## **Signing up for FBFC Checking Alerts:**

To get FBFC Checking Alerts by text or email, you'll need to set up your account in online banking. Here's what to do:

- 1. Get started by logging in to **e**Banking. Not an **e**Banking customer? Contact a personal banker at (888) 569-9909 to sign up now.
- 2. Under the Online Services tab, select Manage Alerts, then select Account Alerts and follow the prompts.

If you have questions, please contact **e**Banking Support at (888) 569-9909.
