

Funds Availability Policy

General Policy - First Bank Financial Centre ("we", "us" and "our") will make funds from your deposit available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you may withdraw the funds in cash and we will use the funds to pay checks you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays and Federal Holidays.

Longer Delays May Apply - In some cases, we may not make all the funds you deposit by check available to you on the first business day after your deposit. Depending on the type of check you deposit, funds may not be available until the second business day after the day of your deposit. However, the first \$200 of your deposit will be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the first business day after we receive your deposit.

If you need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposited will not be paid
- You deposit checks totaling more than \$5,000 on any one day
- You redeposit a check that has been previously returned unpaid
- You have overdrawn your account repeatedly in the last six months
- There is an emergency, such as failure of computer or communications equipment

We will notify you if we delay your ability to withdraw funds for any of these reasons and we will tell you when the funds will be available. They will generally be available to you no later than the seventh business day after the day of your deposit.

Special Rules For New Accounts - If you are a new customer, the following special rules may apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers and the first \$5,000 of a day's total deposits of cashier's certified, teller's, traveler's, and federal, state, and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 may not be available until the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 may not be available until the second business day after the day of your deposit.

Funds from all other check deposits may not be available until the ninth business day after the day of your deposit.
